2025 FALL DART LEAGUES

Welcome to the 2025 fall dart leagues. Please take a few minutes to read and familiarize yourself with all rules and by laws. The fall dart leagues are all handicapped, and divided into divisions according to player stats and player know ability. All family games will be handicapped. All players must be 21 years old. The team that wins the league season wins a state entry. If there is a tie the tie breaker is head to head match wins.

END OF SEASON TOURNAMENT QUALIFICATIONS

All players must play 6 nights on your team to qualify for the tournament. This is the #1 rule, it is important to remember that things can happen and we all may need a sub player for the end of season tournament. Get your sub players qualified early.

END OF SEASON VOTE

1. A player with less **than 6 league nights** play on that team.
2. Team captains will be informed of the situation and will take the situation to their team players.
3. Team captains and team players may choose to give that player a higher handicap as an option.
4. Team captains will vote secret ballot.
5. The vote must be unanimous, if there is a no vote the team can continue to play in the tournament with only the players that are qualified to play.

The vote will be final and will be accepted as a final vote no matter what the outcome may be. GET ALL YOUR PLAYERS QUALIFIED AND PLAN AHEAD TO AVOID THIS PROBLEM.

SPORTSMANSHIP

We are all adults and must conduct ourselves in an adult manner. Please remember that all locations have rules to follow. Have a good time but remember that you are representing your sponsor's location and we all must conduct ourselves as a representative of that location. Bad language in some locations is not allowed please respect that rule. Fighting will not be tolerated in any of the locations. Avoid getting yourself in a situation that would cause you or any member of your team to get kicked out of a location.

I have been asked by many of our locations to mention a team drink policy: The locations do not have to do this, If you are drinking coke all night expect your team drink to be coke! Whatever you are drinking all night that is what your team drink will be.

Again please respect the locations rules.

THE WINNER OF THE LEAGUE SEASON WILL RECEIVE A FREE ENTRY INTO STATE.

END OF SEASON TOURNAMENT

IN THE FALL IT IS A SHOT FOR VEGAS THE TEAM WINNING THE TOURNAMENT WILL RECEIVE THE PACKAGE

If your team does not play in the end of season tournament for whatever reason, your player payback money will be brought back to the shop, you can pick it up at a later date. If your team cannot play the end of season tournament please give us a call. All teams should play in the end of season tournament for the fairness of the competition and for the sportsmanship of the dart leagues.
